

## A Well Prepared Seed Bed Produces Bigger Crops

When you can make a better seed bed simply by using a disc harrow that does better work, pulls lighter, and lasts longer, why not do it? We can show you just such an implement—one that can be adjusted instantly to penetrate and pulverize the soil thoroughly its entire width in dead furrows, hard and soft ground, and over ridges, as well as on level land.

### JOHN DEERE MODEL "B" DISC HARROW

Next Saturday, or the first time you are in town, drop in and look at the John Deere Model "B" Disc Harrow which we have set up. Get on the seat and operate the levers. Notice that there is a lever for angling each gang backward or forward so as to make the pull on the horses just right when part of the harrow is working in soft ground and part in hard ground. And remember to ask us about the third

lever. That is the feature you will appreciate because it enables you to give the required pressure to the inner ends of both gangs to make the harrow penetrate at the same depth its entire width in dead furrows or over ridges.

We want you to notice also the neat, substantial construction of this harrow. You will readily understand why it lasts longer.

A splendid show is booked for the Mecca Theater for Saturday night. It is "The Forbidden City" and is considered one among the best movies that are being shown. It is featuring Norma Talmadge, which is evidence that it is high class and will be of marked interest.

The L. A. L. Club went to Crab Orchard Saturday and were entertained by Miss Mary Black, who is teaching there. The club members who went were: Nell McCartt, Amy Vincent, Margaret Keyes, Corrinne Black, Lola May Borden, Rhoda Belle DeRossett. Also the following girls of Crab Orchard were entertained by the club: Claudia Sherrill, Lelah Hembree and Lenis Martin.

Tuesday night of next week will be the regular meeting time for the Eastern Star. There are several candidates to be initiated, refreshments will be served and the general pleasant time that accompanies such occasions is expected. It is hoped and expected that there will be a large attendance of membership.
